Customized Patient
Recruitment

Is Your Recruitment Program Missing Something?

Clinical trials are the driving force of progress and innovation in healthcare. And yet securing patients for participation can be challenging without the right strategic and comprehensive approach.

We Help You Perform

We perform so you can too. Our full-service capabilities allow us to customize an efficient program for you. From conducting thorough audience examinations to determining where your compound fits into the treatment mix, we focus on strategy, innovation, and results.

We Are Global

We are the only patient recruitment firm with 80 wholly-owned offices in 25 countries. We provide in-country services virtually anywhere in the world.

We Innovate

Our experience guides us, but we also innovate. When we have a novel idea that represents a sound communications approach, we offer it as a way to influence your target audiences.

We Deliver Results

Our customized approach drives results. We value long-term relationships, and our clients come back for more. We represent well-known and emerging, large and small, biopharmas and CROs.

If you are missing something in your recruitment program, the Fleishman-Hillard Clinical Trials Division may be the solution. To learn more, visit clinical.fleishmanhillard.com or call 816-474-9407.
